

Please see Sec. 5 on page 5:

Grants shall be awarded annually in one (1) year increments. The grant year shall run for twelve (12) full months from July 1 to June 30 of the following year.

The second sentence should be removed. A grant awarded in August would not be funded until 1 July of the following year. This can't be what was intended. Grants should be made on a rolling basis to ensure our veterans/organizations receive funding in a timely manner and, especially, when most needed.
